Dear Sir/Madam – thank you for your email inviting us to participate in this further Public Consultation on New Evidence Base Documents.

We note the stated 'Nature and scope of this public consultation' and that any representations should address whether the proposed evidence base documents make the Local Plan legally compliant and sound. We can confirm that we have no comments relating to legal compliance or soundness.

We note in paragraph 2.46 of the Infrastructure Delivery Plan (IDP) the Authority's commitment to update the IDP once the Local Plan is adopted. We therefore confirm our intention to work with Tunbridge Wells to support them with this update.

Yours faithfully,

Catherine Adamson
