Church Road is a one way street that connects 3 culs de sac. The street is already busy right now deserving 200 houses and providing parking to those families who need access to the school (the school does not have its own parking).We already have to wait at the top of Church road for the car to pass for you to access the street creating a big queue right in Lower Green Road. Without taking into consideration the pollution and the noise nuisance.

5) If you do not agree with the proposed Main Modification/ document please set out what modification(s) you consider necessary to make the Local Plan legally compliant or sound, having regard to the Matter you have identified in question 4 (above) where this relates to legal compliance or soundness. Please be as precise as possible.
