We live on Elmhurst Avenue and are very concerned about more traffic using Church road. It's a single lane road (because of all the parked cars) and it can already be tricky getting up and down. Also the junction with Maidstone road is incredibly dangerous, it's impossible to pull out safely as parked cars block your view. Extra traffic using Church rd is only going to add to this.

**5) If you do not agree with the proposed Main Modification/ document please set out what modification(s) you consider necessary to make the Local Plan legally compliant or sound, having regard to the Matter you have identified in question 4 (above) where this relates to legal compliance or soundness.
