Hi,

I live in Paddock Wood and have done so since the age of 2. I am now 53 years old.

I cannot believe the amount new housing proposed 2600 without the obviously needed increase in Infrastructure.

The removal of the Sports hub (voted for by the residents of Paddock Wood) is a scandal. All the pitches flood in Paddock Wood. There really needs to be a massive upgrade to drainage and the introduction new 3G pitches. There will be huge demand for increased sporting facilities with another 2600 houses.

The one existing 3G at the school charges exorbitant prices.

How come Kings Hill with all its development gets a Sports Park and yet we don't.

Please do the decent thing put the Sports Park back in the plans as that is what the people of Paddock Wood previously voted.

We don't want 2600. However if we are going to get them we need proper infrastructure, schools, medical facilities and sporting facilities to be proud of.

Thank you

Jason Dennis
