Paddock Wood Expansion needs to address the current struggles of the town such as nurseries, GPs, footpaths, cycle paths, links between new developments and other parts of the town, more commercial areas, better mobile networks.

I would like this expansion to bring more value to our town and not just another expansion to meet the housing goals, we need a fully integrated town to avoid us becoming just another residential area where everyone is a stranger.

We are still a small city, so we are still on time to deliver a better and greener plan.

8) If your representation is seeking a modification, do you consider it necessary to participate at the examination hearing session when it takes place? (please tick or cross as appropriate)

No, I do not wish to participate at the examination hearing session
