As a Church Road resident of over 20 years, I am very much against the proposal of a road/ junction/ access from new housing coming up Church Road. It is already very frustrating for residents trying to leave or gain access to the road at school drop off and collection time!

Extra traffic from nearly 30 houses/ families will gridlock the road further!

Also there is a varied mix of wildlife and hedgerow flora that will be devastated!

Access from Maidstone Road makes much more sense as there is already a road via Downingbury Farm!
