5) If you do not agree with the proposed Main Modification/ document please set out what modification(s) you consider necessary to make the Local Plan legally compliant or sound, having regard to the Matter you have identified in question 4 (above) where this relates to legal compliance or soundness. Please be as precise as possible.

Access to the proposed development via Church Road is not a viable option as the road is too narrow to support the additional traffic that the development would bring.

Also the junction of Church Road and Maidstone Road is dangerous at the moment particularly at school drop off and collection.

The only viable access to the development is the one that was put in the original proposal i.e. directly on to Maidstone Road by Downingbury Farm.
