Dear Sir/Madam

Policy STR/SS 1

I would like to express my objection to the plans for development on the East Capel site. This proposal to build a large development on a flood plain flies in the face of all common sense and environmental considerations.

The infrastructure for Paddock Wood is creaking already and the impact on education and health care facilities will be immense if the sprawl continues. I feel a development of this size is unnecessary.

Policy SS3

I would also like to strongly support the deletion of Tudeley Garden Village from the local plan. A very wise move.
