The change to exit meaning a large volume of cars on Church Road which is not able to accommodate it. I live on the junction of Church Road and Maidstone Road and see on a daily basis how dangerous this junction is for drivers but particularly the school children at Pembury Primary. There is a clear alternative in terms of the bottom of maidstone road. To allow this change when there is an obvious alternativewill be to allow development profit at the expense of the well being and safety of the road users and school children.
