I'm worried about the development of the football field south of Tunbridge Wells Cemetery, as this land should be safeguarded for future cemetery expansion. (Land at Bayham Sports Field West).

The sell-off of football pitches across Tunbridge Wells will damage the health of a whole generation of children. Sport England may support it, because they prioritise elite, competitive sports. However, for ordinary people who want to kick a football about for exercise or leisure, having a sports field nearby may be more important.
