We find Church rd already very narrow and busy. We live in Gimble Way, it takes 5-10 min to get to the main rd by the school as Church rd is only can have one way traffic because of the parked cars.

If there will be another rd feeding into Church rd (the only entrance) it would make it extremely dangerous for school children to cross roads and for everyone to be able to drive anywhere.

Cars parking awfully close to the top entrance of church rd on the corner of Maidstone rd .extremely dangerous to turn from church rd because of the limited visibility. We disagree to use Church rd as an entrance for the new development by Downingbury farm.
