<p><b><u>Main Modification MM15 – After paragraph 4.49 (new paragraphs)</u></b></p> <p>This new proposed text states that following the deletion of Tudeley Village the adopted Local Plan does not provide for the full housing needs up to 2038. However, the NPPF refers to strategic policy-making authorities needing to establish a <u>housing requirement figure</u> for their whole area. Therefore, the Local Plan should set out this requirement in clear policy terms rather than just referring to ‘needs’.</p> <p>We question why the Council is only proposing referring to the deletion of Tudeley Village as the reason for not being able to meet its full housing needs when there has been a decrease of approximately 1,000 dwellings at Paddock Wood as well which has also led to a housing shortfall.</p> <p>This Main Modification states that apart from findings ways of meeting unmet housing needs that “<i>All other policies included in the Plan remain applicable for the entire plan period 2020-2038</i>”. Which policies does TWBC consider applies to this issue of unmet housing needs – this is unclear. Furthermore the ‘early review’ may need to pick up other matters of importance introduced through the NPPF and new legislation there the scope of the ‘early review’ should not be predetermined and should be part of the Regulation 18 consultation period. This is, after all, what Regulation 18 of the Regulations states as the scope of this stage of the process:  <i>“invite each of them to make representations to the local planning authority about what a local plan with that subject ought to contain”.</i></p> <p>Furthermore, the NPPF policy regarding the need to assess whether a Local Plan requires a review at least every five years still applies to TWBC – as currently proposed the Main Modification reads as if a ‘focused early review’ is the only need to review the Local Plan until 2038.</p>	

5.	<p>If you do not agree with the proposed Main Modification/document, please set out what modification(s) you consider necessary to make the Local Plan legally compliant or sound, having regard to the Matter you have identified at Section 4 (above) where this relates to legal compliance or soundness.</p> <p>Please be as precise as possible.</p> <p>The text box will automatically expand if necessary.</p>
