Please find below a further comment to this public consultation from Horsmonden Parish Council :

'Horsmonden Parish Council wish to emphasise in the strongest possible terms the previous reference to the siting of the medical centre as stated by the Inspector in his findings for the SLP; stating that the medical centre must be kept within the area designated for residential use and not within the area for community space as outlined in the current planning application . (The inspectors findings form part of the public hearing dated 5 July 2022 found at point 2 hours 48 minutes 30 seconds in the recording)'

I would be most grateful if this could be acknowledged somehow please?

Can you please also advise how/when the consultation responses can be viewed by us as we can't seem to find these on the portal ? Will all responses received be passed on to the Inspector/examiner?

Many thanks for your help

Lucy
