I think it is wrong to build and create vehicle access into Church Road.

The road is busy and because cars are parked in the road we sometimes have to drive on footpath to exit Church Road. Some people do not have drives to park their cars.

It cannot accept more traffic, especially the lorries that are needed to build the new houses.

5) If you do not agree with the proposed Main Modification/ document please set out what modification(s) you consider necessary to make the Local Plan legally compliant or sound, having regard to the Matter you have identified in question 4 (above) where this relates to legal compliance or soundness. Please be as precise as possible.

There is an existing road into Downingbury Farm. Surely this can be developed rather than knocking down existing hedgerows?

6) Please use this box for any other comments you wish to make.

Apart from traffic issues, the hedgerow along Church Road and Rowley Hill is full of wildlife and should not be destroyed.
