<p><u>Main Modification MM16 – Policy STR1 The Development Strategy</u></p> <p>Further to our points regarding the scope of the ‘early review’ set out in response to MM15, this policy provides some indication that the scope of the ‘early review’ might go beyond just looking at ways of meeting identified unmet housing needs. There are two statements about this in the Main Mods and the wording is not the same leading to ambiguity. It states:</p> <ul style="list-style-type: none"> • <i>“The strategy of this plan provides for a housing supply for the first 10 years of the plan period with employment and other development including necessary supporting infrastructure, but with a requirement for an early review of the <u>plan to include ways of meeting identified unmet needs</u>” and</i> • <i>The Council shall then undertake the early review <u>which shall include ways of meeting identified unmet housing needs</u>.</i> <p>It should be made clear that the scope of the early review will be consulted on.</p> <p>This Main Mod refers to (at paragraph 7) that an effective long-term Green Belt is maintained. It is not clear what is meant by effective long-term Green Belt. As the evidence does not support the removal from the important Green Belt in east Capel this statement is not justified and appropriate mitigation of the removal of Green Belt has not been demonstrated by the Council.</p>
